Qualifications to be considered for evaluation include the overall abilities, capabilities, and experience of the Responder to develop the brand and the web portal. On the advice of the Alabama Workforce Council, AIDT will select the Responder it determines, to be fully qualified and best suited among those submitting proposals to best meet the needs specified in this RFP.

Upon identification of the selected Responder, if any, AIDT may initiate negotiations for contract terms and conditions.

5. Efforts to Influence Selection Process Prohibited

The integrity of the RFP process is of primary importance and will not be compromised. Any written or oral communications beyond the RFP response made by Responders, or others on their behalf, whether paid or unpaid, to influence the selection process, from the time the RFP is issued through its conclusion, made directly or indirectly to AIDT staff (other than the designated contact), will be grounds for immediate elimination from the selection process.

6. Agreement

All duties of the Responder will be set forth in an Agreement to be entered into between the selected Responder and AIDT and its partners. The agreement will be for a period of up to 12 months with no extension option. The agreement will incorporate the requirements of the RFP and the proposal as negotiated.

AIDT reserves the right to terminate the agreement with thirty days' notice if the terms of the proposal and/or contract are violated.

Termination of the contract by Responder without cause can only occur with at least one hundred and twenty (120) days' notice prior to the termination of the contract.

Responder shall within two months prior to the end of the contract term provide AIDT with copy of any and all materials, in any form including administrator access to websites and social media accounts, produced under the contract.

State law prohibits AIDT from agreeing to (1) indemnify the Responder, (2) waive the right for jury trial, (3) grant a security interest, or (4) agree to binding arbitration. Additionally, it is mandatory that Alabama laws apply to the performance of the contract and that jurisdiction and venue be in Montgomery, Alabama.

The Alabama Trade Secrets Act is codified in Sections 8-27-1 through 8-27-6, Code of Alabama (1975). Responders are cautioned to be familiar with these statutes. The burden is on the one asserting the trade secret to show that the information sought to be protected meets the definition of a "trade secret" as defined in such act.

Any RFP proposal submitted that contains confidential, trade secrets or proprietary commercial information must be conspicuously marked on the outside as containing confidential information, and each page upon which confidential information appears must be conspicuously marked as such. Identification of the entire bid proposal as confidential is not acceptable unless the responder enumerates the specific grounds or applicable laws that support treatment of the entire material as protected from disclosure according to the foregoing statutes or other applicable Alabama law.
